

HÖRMANN RAISES £28,000 FOR CANCER CHARITY

Hörmann UK, the leading door manufacturer based in Coalville, has raised a staggering £28,000 in just one week for CLIC Sargent, the UK's foremost cancer charity for children, young people and their families.

During Childhood Cancer Awareness Month, Hörmann UK launched a dedicated one-week campaign to raise vital funds for its charity of the year and donated £50 from the sale of every domestic and industrial sectional and roller door ordered.

The charity partnership between Hörmann UK and CLIC Sargent, which supports almost 7,000 people each year, was formally launched this summer and a number of fundraising activities are planned for the coming months, including a London to Brighton cycle ride.

With a care network of more than 200 members of staff, which includes social workers, support workers and play specialists, CLIC Sargent is on hand to help families right from the time of diagnosis. The charity offers support with everything from providing grants, accessing benefits and providing free accommodation close to hospital to help ensure that life with cancer can be as stress free as possible for children and their families.

Speaking of fundraising, Jessica Southworth, Fundraising Engagement Manager at CLIC Sargent, said: "We are overwhelmed by the generosity shown by Hörmann UK and would like to say a big thank you to the whole team.

"The £28,000 will make an incredible difference to the families we support. It will allow us to help 64 young people and their families cope with the staggering costs of cancer, through valuable financial advice and grants, or provide 10 nights' accommodation for 80 families in our Billy's Home from Home in Nottingham. We can't put into words how grateful we are at CLIC Sargent for this level of fundraising."

David O'Mara, Marketing Manager at Hörmann, commented: "We would like to say thank you to all of our loyal distributors who once again showed their support and got behind our fundraising efforts, which resulted in raising a phenomenal amount of money for our charity of the year.

"We look forward to working closely with the CLIC Sargent team for the next 6 months and helping raise awareness for this incredible charity."
