

Coalville Town Football Club scores sponsorship deal with Hörmann

Published on 17th July 2018

Leading door manufacturer, Hörmann, is pleased to announce that it will be continuing its sponsorship of Coalville Town Football Club throughout 2018. As part of the deal, Hörmann will be making a donation every month to help with all aspects of running the club.

The football club which is based in Leicestershire at the Owen Street Sports Ground, has a number of teams for all ages and abilities. They currently play in the Northern Premier League in the Premier Division against teams such as Altrincham, Grantham Town and Ashton United.

Glyn Rennocks, chairman at Coalville Town Football Club, said: "I am incredibly grateful that Hörmann has agreed to continue sponsoring us during 2018, and we cannot thank them enough for their ongoing support. Previously, their backing went towards everything from the players tunnel to new hoardings around the pitch, so I am really looking forward to seeing how we can use the monthly donations to improve our facilities even further."

David O'Mara, marketing manager at Hörmann, commented: "We are proud to be working with Coalville Town Football Club during 2018, and be a part of something right at the heart of our surrounding community. It was fantastic to see how much of a difference our previous contributions had made to the ground last year, so we are delighted to be extending our partnership with the team."

Coalville Town Football Club is just one of many organisations supported by Hörmann. Hörmann takes part in several sporting events each year to raise money for a range of charities and good causes.
