Hörmann Entrance and Garage Doors – the perfect match with New Décor Colours

Hörmann have introduced five new Duragrain Décor colours to their LPU 42 L-ribbed sectional garage door range which provide a perfect match to their ThermoSafe MatchDecor aluminium entrance doors. Developed to provide discerning specifiers and consumers with the ability to create a real point of difference for any home, five modern finishes are available – Cement, Rusty Pantina, Wild Oak, Barnwood and Barnwood Grey,

Hörmann's market leading sectional doors offer a winning combination of high-quality materials, safe operation, and good thermal insulation properties. For added peace of mind all automated Hörmann sectional doors are supplied with Secured by Design as standard (subject to fitting criteria and door style selection). The five new Décor colours are available with the company's Duragrain finish which is extremely hardwearing and scratch resistant. An innovative, UV-resistant digital print is applied onto the primed sections of the door with the Duragrain protective coating added to safeguard against environmental effects and keep the door looking beautiful for years to come.

The matching ThermoSafe Decoral entrance door is manufactured to the highest quality standards and features a solid 73mm aluminium door leaf installed within an aluminium frame. The door is robust yet elegant, providing high levels of security, long life, good acoustic insulation, and excellent thermal properties with a U-value of 0.87 W/M₂K being achievable.

The Decoral finish is applied to the powder coated surfaces of the ThermoSafe door using a patented coating method resulting in a beautiful, colour fast and detailed appearance. The

doors are supplied with a standard frame in Jet black and are available with the exterior handles and embellishments in Jet black or in one of the Decoral colour options to match or contrast.

For more information please visit [Doors with a matching look | Hörmann \(hoermann.de\)](https://www.hoermann.de) or call 01530 516868.
