Make a Statement with Garage Doors from Hörmann

Garage doors no longer have to be just functional, with a variety of beautiful design options and creative finishes homeowners can now choose a garage door to harmonise with the exterior of their property or create a real point of difference.

Creative freedom can be achieved through the wide variety of finishes, designs and styles together with the benefit of personalised extras such as glazed panels and house numbers. The innovative ART42 range of sectional doors offers the choice of 13 infill options from tinted or mirrored glazing to perforated stainless steel housed in an aluminum frame.

Whilst 24 beautifully printed Duragrain finishes offer the added flexibility of creating a unique and strong aesthetic coupled with a hardwearing and durable finish. From on-trend Concrete and Rusty Steel to the more natural woodgrain finishes such as Burnt Oak, Walnut and Cherry Wood.
