Hörmann Partner Standard Celebrates Fifth Anniversary

Launched during the turbulent days of October 2020, the Hörmann Partner Standard programme has continued to expand, offering valuable recognition and business opportunities to its network of authorised partners. Now in its fifth year, the programme boasts over 120 members, each with a dedicated landing page featured on Hörmann's Dealer Finder, providing enhanced online visibility and generating quality sales leads.

As Hörmann marks this important milestone, they are excited to announce the annual Partner Standard Awards which will once again celebrate the hard work, dedication, and professionalism of Hörmann's dealer network. With planning already well underway, the upcoming awards are set to be the biggest yet. This year will see 12 different categories, which will focus on a core area of excellence, with each award holding equal prestige.

Submissions for this year's awards will open on 1st September and close 6th October - Hörmann dealers are encouraged to stay tuned for further updates and details over the coming months.

"The Hörmann Partner Standard programme delivers tangible benefits to our dealers and provides a strong platform for growth," said David O'Mara, Marketing Manager at Hörmann UK. "Our annual awards offer an opportunity for our partners to be recognised for their achievements and ongoing commitment to quality, and this year we aim to make the awards more accessible to everyone and celebrate the success of even more dealers. We are confident that the next awards will raise the bar once again."

Hörmann dealers are encouraged to discuss the upcoming awards with their Area Sales Manager and prepare for what promises to be a memorable celebration of excellence.
