**An evening of recognition and celebration for Hörmann UK's**  
**nationwide dealer network**

Hörmann UK proudly celebrated excellence across its Partner Standard dealer network at the inaugural in-person Partner Standard Awards Ceremony, held on Thursday 26th February 2026 at the Leicester Marriott Hotel. Taking over the entire venue for the evening, the event marked a significant milestone in the Hörmann UK calendar. Bringing together partners from across the UK, the ceremony recognised outstanding performance, innovation, and collaboration within the network, while creating valuable opportunities for networking and celebration.

Adding star quality and plenty of entertainment to the occasion, the evening was hosted by Martin Bayfield, former England rugby international, broadcaster, actor, and stunt performer - who ensured an engaging and memorable awards presentation.

The ceremony featured 12 individual award categories, created to ensure broad recognition across the network. The awards celebrated dealers of all sizes and specialisms, promoting inclusivity while providing opportunities to highlight both individual and team achievements.

The evening commenced with a drinks and canapés reception, followed by a formal dinner during which the awards were presented.
